

Advances in Biotechnology and Computational Science

A JOURNEY OF SCIENCE & CULTURE

Cairo Annual Conference
1st October – 10th October
Organised by UKABCS & IJBTC

Unrivalled Value at the Intersection of Discovery and History.

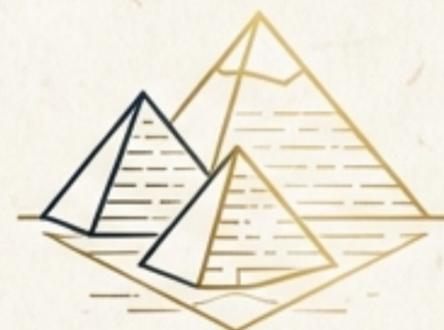

The UKABCs & IJBTCs Annual Conference is more than a meeting; it is a community of leading academics, researchers, and innovators converging in Cairo. We offer a unique proposition: world-class academic sessions on biotechnology and computational science interwoven with an immersive exploration of Egypt's rich history.

Cutting-Edge Science:
Engage in high-level
discourse and hands-
on workshops.

Global Community:
Connect with peers
from around the globe.

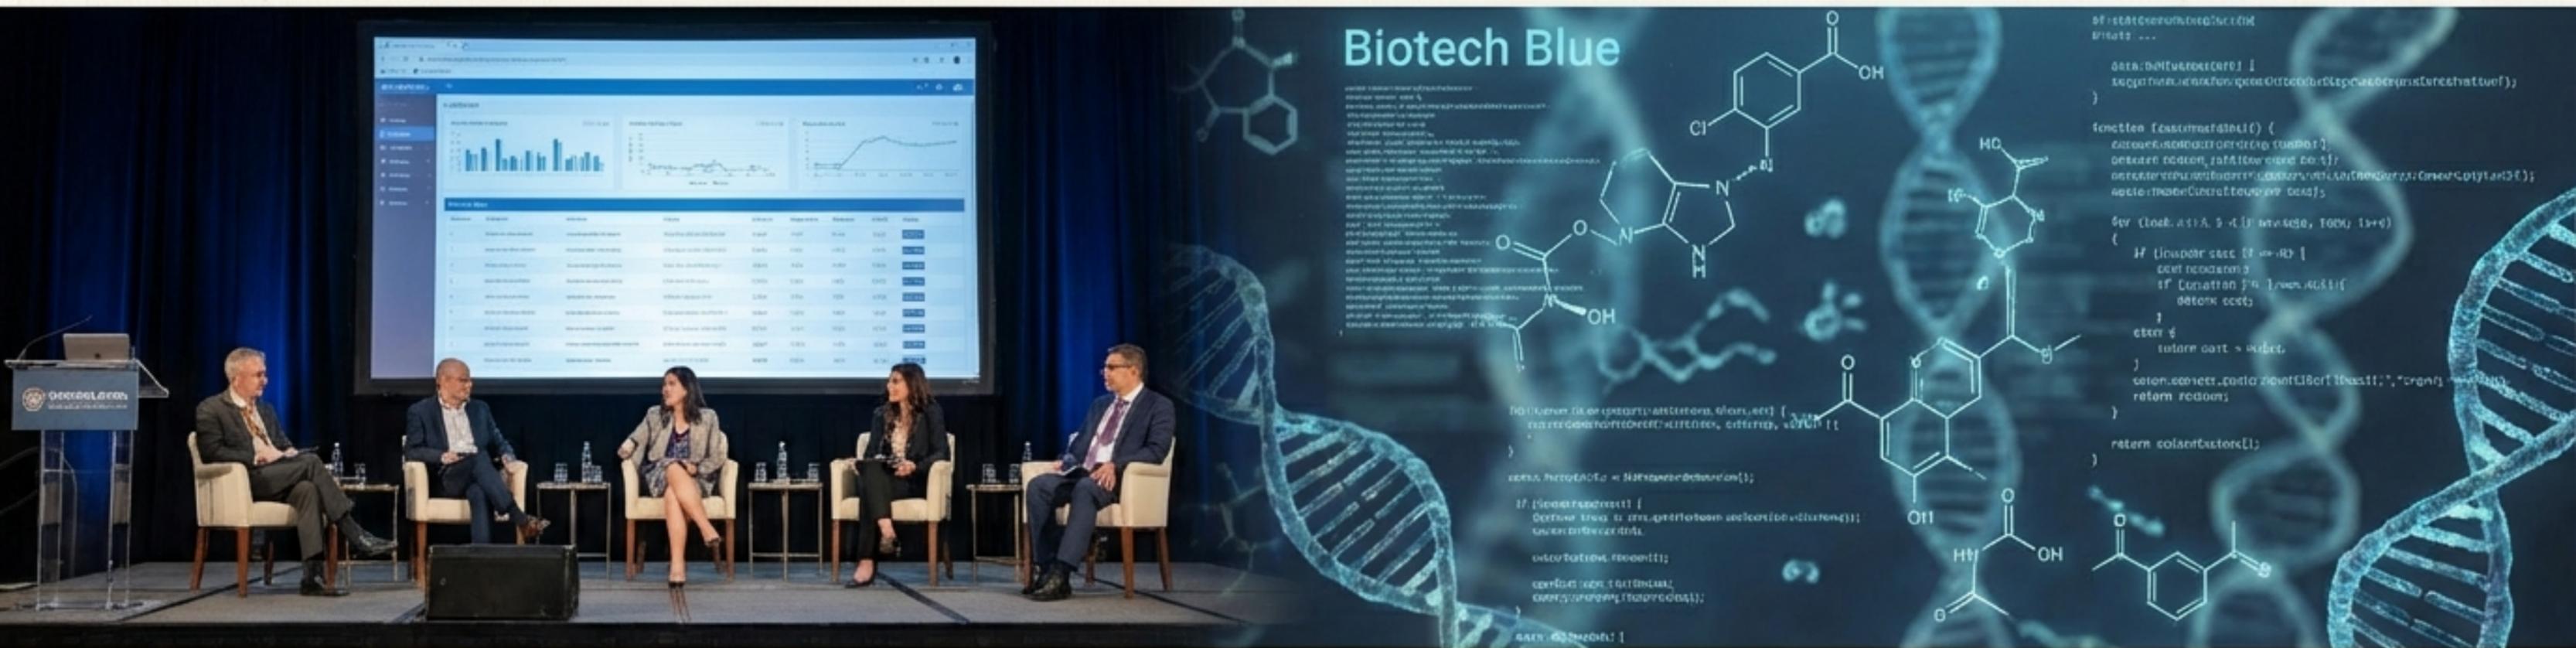

Cultural Immersion:
Experience the
ancient world
alongside modern
innovation.

Outcome:
A transformative
experience delivering
professional impact
and personal
enrichment at a
competitive cost.

Academic Excellence & Real-World Application

Presentations & Panels

Focused on the latest advancements in biotechnology and computational science.

Interactive Workshops

Hands-on sessions designed to explore real-world applications of academic research.

Poster Displays

A dedicated space for researchers to present cutting-edge work and receive peer feedback.

The Goal: To foster the exchange of insights and drive the future of the field.

A Global Community of Innovators

Networking is woven into the fabric of the itinerary, moving beyond formal introductions to meaningful connections.

Dedicated Breaks

Scheduled specifically to interact with global researchers and foster collaborative opportunities.

The Cultural Cocktail Reception

A casual evening event on Day 2 to unwind with fellow participants and enjoy local flavors.

Gala & Conference Dinners

Elegant evenings designed for in-depth conversations with thought leaders and peers.

Standing Before the Seven Wonders

Day 3 Highlights

- ▲ **Pyramids of Giza & Sphinx:** Explore the history behind these incredible monuments and one of the Seven Wonders of the Ancient World.
- ▲ **The Egyptian Museum:** Discover the treasures of a lost civilization, including Tutankhamun's tomb and golden artifacts.
- ▲ **Lunch with a View:** A traditional Egyptian meal overlooking the Nile River, blending culinary delights with the cityscape.

Immersion in Living Heritage

Day 6 Highlights

- **Historic Markets:** Wander through bustling souks, engaging with local artisans and browsing handmade Egyptian crafts.
- **Nile River Cruise:** A peaceful evening cruise soaking in the vibrant local life and stunning cityscape.
- **Nile River Cruise:** A peaceful evening cruise soaking in the vibrant local life and stunning cityscape.
- **Authentic Dining:** An immersive cultural experience featuring traditional Egyptian food and live entertainment.

Reflection and Recharge by the Red Sea

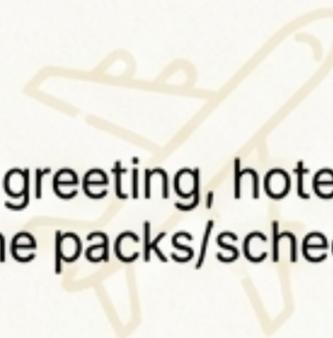

Day 5 Highlights

Coastal Retreat: A scenic drive to the Red Sea, renowned for its crystal-clear waters and marine biodiversity.

Water Activities: Options to snorkel, dive, or simply relax on the beach to clear the mind.

The Gala Dinner: A refined dining experience on the coast, celebrating the week's success.

The Itinerary: Days 1 - 5

Day 1 | Arrival

Airport greeting, hotel check-in, registration (welcome packs/schedules). Rest & Prepare.

1

Day 2 | The Core

Opening Ceremony, Academic Sessions, Interactive Workshops, Cultural Cocktail Reception.

2

Day 3 | Ancient History

Pyramids & Sphinx, Egyptian Museum, Lunch overlooking the Nile.

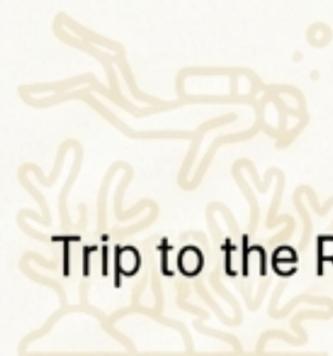

3

Day 4 | Deep Science

Advanced research presentations, Poster sessions, Networking Luncheon, Conference Dinner

4

Day 5 | The Retreat

Trip to the Red Sea, Snorkeling/Diving, Gala Dinner on the coast

5

The Itinerary: Days 6 – 10

Day 6 | Culture

Cultural Immersion Day, Souk visits, Nile River Cruise, Authentic Egyptian Dinner

6

7

Day 7 | Exploration

Free day. Options include the Citadel of Saladin or Al-Azhar Park.

Day 8 | Conclusion

Final Academic Sessions, Closing Ceremony (recognizing contributions), Farewell Dinner with live entertainment.

8

9

Day 9 | Leisure

Morning at leisure (local cafes/souvenirs).

Day 10 | Departure

Smooth transfers to the airport. Return home with new knowledge and connections.

10

Seamless Logistics & Support

We handle the details so you can focus on the science.

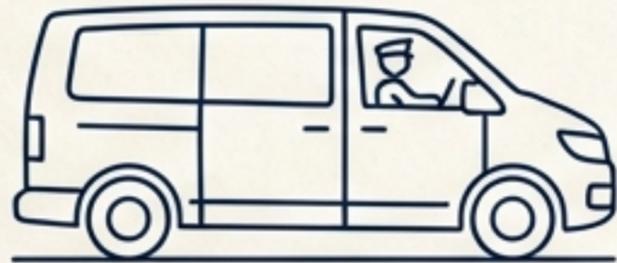

Arrival

Personal greeting at the hotel and assisted check-in.

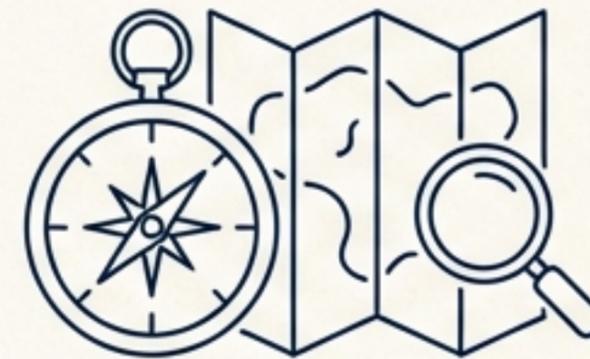

Registration

Full welcome packs including schedules and access to virtual/onsite activities.

Transfers

Coordinated airport transfers for both arrival and departure.

Guidance

Support throughout the cultural excursions and conference sessions.

Return on Investment

Attendees gain high-value returns offering both professional and personal enrichment.

Knowledge

In-depth academic exposure to the latest trends in biotechnology and computational science.

Network

Access to a community of global leaders and professionals for future collaboration.

Experience

Cultural enrichment through unique, curated experiences in Cairo and the Red Sea.

Impact

A “once-in-a-lifetime” opportunity that blends groundbreaking research with historic adventure.

Join the Community

Experience the best of Egypt while advancing your career.

Event: Advances in Biotechnology and Computational Science

Dates: 1st October – 10th October

Organizers: UKABCS & IJBTCS

Head home with new knowledge, valuable connections, and memories of an unforgettable experience.
